

What is PMES?

Pre-Membership Education Seminar — Batangas United and Progressive Credit Cooperative

The Pre-Membership Education Seminar is your first real step toward BUPCC — and it's required by law (RA 9520, Article 10) before anyone can become a member. But it's not a formality, and it's not a sales pitch. It's simply this: everything we'd tell you about BUPCC, told to you honestly, before you decide anything.

What You'll Walk Away Knowing

- What a cooperative actually is, and the seven principles that govern every one in the Philippines
- Who BUPCC is — our story, our values, and how we're structured
- What we offer, and what it would ask of you
- Your rights as a member — and what BUPCC owes you, by law
- Exactly how membership works, step by step

About 90–120 minutes. No pressure to decide that day — the seminar's purpose is to inform you, not to recruit you.

Ano ang PMES?

Pre-Membership Education Seminar — Batangas United and Progressive Credit Cooperative

Ang Pre-Membership Education Seminar ay ang iyong unang tunay na hakbang tungo sa BUPCC — at ito ay hinihiling ng batas (RA 9520, Article 10) bago maging kasapi ang sinuman. Pero hindi ito pormalidad lamang, at hindi ito sales pitch. Simple lang ito: lahat ng sasabihin namin tungkol sa BUPCC, sasabihin sa iyo nang tapat, bago ka magdesisyon ng kahit ano.

Ang Malalaman Mo Pagkatapos

- Kung ano talaga ang isang cooperative, at ang pitong prinsipyong namamahala sa bawat isa sa Pilipinas
- Kung sino ang BUPCC — ang aming pangarap, values, at kung paano kami gumagana
- Kung ano ang inaalok namin, at ano naman ang hihingin nito sa iyo
- Ang iyong mga karapatan bilang kasapi — at ang ibibigay sa iyo ng BUPCC, ayon sa batas
- Kung paano gumagana ang membership, ang bawat hakbang

Mga 90–120 minuto. Walang pressure na magdesisyon sa araw na iyon — ang layunin ng seminar ay ipaalam sa iyo, hindi i-recruit.
