## Character First, Leadership Follows

"As your Founding Chairman, and in solidarity with our Leadership Team & Members - I convey my invitation to you to join us, and together - let us build a path towards dignified living through the aspirations of our Cooperative."

# Our Missions

BUPCC is committed to honor our By-Laws, Code of Conduct and internal and external regulations.

We are guided by our Vision to realize our missions effectively, efficiently and competently.

## Members' Character Development Missions

To nurture a culture of respect, unity and cooperation among Members through regular training, values formation, and capacity building programs.

To develop the leadership potential of our Members through regular training, peer mentorship and sound governance and management of our Coop.

To promote the total well-being of our Members by integrating programs that enhance self-esteem, personal responsibility and accountability, and emotional maturity - building a more meaningful and dignified life.

## Community Engagement Missions

To develop continuing relationships with the stakeholders in the communities we operate and to provide financial and in-kind support to community development.

## Members' Financial Security Missions

To extend loans to its Members at the most optimum lending rate that balances Members' welfare and BUPCC's profitability and long-term sustainability.

To invest its excess capital and financial assets into risk-free money market instruments and medium term investments.

To continually develop products and services with integrity, professionalism and excellence as the Hallmarks of our Cooperative.

# Our Core Values

**Integrity** - uphold honesty and ethical conducts at all time

**Service & Excellence** - deliver high quality products and services professionally and respectfully.

**Cooperation & Solidarity** - foster collaboration to achieve shared success.

**Human Dignity & Respect** - treat each other with respect and fairness

**Growth & Development** - build capable leaders

**Accountability** - own decisions, actions and its consequences.

# Financial Services

BUPCC is an organization committed to grow into a mature Cooperative capable of enabling its Members to succeed.

Established in 2025, we are anchored at RA 9520 and our by-laws and all pertinent government rules and regulations.

## Share Capital

As a Member, it makes you a co-owner of BUPCC. Earn interest on your share capital based on our net surplus - isn't fixed or guaranteed in advance. Totally based on our performance!

## Loans

As a Member, you are eligible to borrow against your share capital and savings. Fund your business, emergency, education and medical expenses (all loans are subject to Requirements and Eligibility).

Earn your patronage refunds as based on your loan amount and repayment performance.

## Savings & Time Deposits

As a Member, you are encouraged to open your Savings and Time Deposit accounts with us!

Earn interest while you are strengthening the cooperative you belong to.
